Committee Report re objections in the matter of construction on Anna St.

Dec 2, 1895
MR. PRESIDENT:

Your Committee on to whom was referred objections in the matter of assessment for the construction of sewer on Anna Street, beg leave to report that they have viewed the work and find it to have been done in a substantial manner. They also find that the contract price for the same has been authorized by the council to be paid. They, therefore, are unable to report any redress that may be given objections.
